1. The Binary Tree
2. The Cathedral & The Bazaar
3. The Travelling Salesman
4. The Dining Philposophers

Purple is a musical recording project by Dan Hodgson, and this is the second offering under that name. (The first was "11 Bells"). It uses a mixture of real, sampled, and synthesized sounds; all played, performed and/or programmed by Dan. Written by Dan (except for a few obvious homages to traditional tunes). Recorded, engineered and produced by Dan. Oh, and cover photography and artwork also all by Dan. Cover location suggested by Lizzie Hodgson. Copyright (C) 2009 Dan Hodgson, all rights reserved and other such legal mumbo-jumbo.
